

GlobalVATOnline

GlobalVATOnline (GVO) is an online subscription service, which provides up-to-date business critical information on VAT/GST rates, rules and requirements around the world, to help you maintain control, mitigate risk and improve the overall effectiveness of your VAT/GST function.

Latest news on VAT/GST issues and developments

GVO's news service provides timely updates on worldwide VAT/GST developments, along with a facility to deliver this news to your desktop via RSS feeds, newsflashes and weekly newsletters. It also includes commentaries on new legislative proposals and decisions on recently concluded cases, and hyperlinks to related subjects, case law and official documentation.

Comprehensive VAT/GST information for over 70 countries

GVO provides access to current details on VAT/GST rates, rules and obligations for over 70 countries, across six continents: Europe, North America, South America, Asia, Australia and Africa. These details are accompanied by extensive supporting documentation such as copies of return forms, links to useful websites and more.

With GVO, subscribers can:

- monitor and keep up-to-date with global VAT/GST developments;
- quickly and easily search for key VAT/GST information on specific topics, across individual or multiple countries;
- access feature articles written by leading indirect tax specialists, focusing on the latest hot topics;
- access PwC specialists in over 130 countries for further information and advice;
- access PwC tools and techniques to help achieve efficiencies in the VAT/GST function;
- find out about upcoming PwC indirect tax seminars, conferences and courses worldwide; and
- access PwC publications.

Subscriptions start at EURO 1,000 per annum¹. Subscribers will also have free access to a downloadable version of the PwC VAT/GST regional guide of their choice, plus access to other PwC publications at discounted rates.

Otherwise, for an additional EURO 2,000 per annum, subscribers can upgrade to our premium service – GVO Plus.

GVO Plus

GVO Plus offers a considerably broader range of specific VAT/GST information, with greater detail than GVO. For example, GVO Plus covers time of supply and place of supply rules for goods and services, EC Sales/Purchase List requirements, how consignment stock is dealt with, VAT warehousing, the availability of bad debt relief, penalties, the ability to obtain binding rulings, appeals, limitation periods and anti-avoidance rules. GVO Plus also covers specific EU VAT Package changes in greater detail, including how use and enjoyment provisions and the new electronic 8th Directive refund system have been implemented.

In addition, GVO Plus provides users with online access to all four of our PwC VAT/GST regional guides covering the European Union, the Americas, Asia Pacific and Africa.
