The Hague, 18 December 2013

Mr. Chargé d' Affaires,

I have the honor to confirm receipt of your Note of today's date which reads as follows:

"I have the honor to refer to the Agreement between the United States of America and the Kingdom of the Netherlands to Improve International Tax Compliance and to Implement FATCA (hereafter referred to as 'the Agreement') signed today and to propose on behalf of the Government of the United States the following:

In the course of the negotiations of the Agreement signed today, the negotiators developed the Memorandum of Understanding that is attached to this note. The Memorandum of Understanding reflects the shared understanding regarding the interpretation of certain provisions of the Agreement reached by the delegations of the United States and the Netherlands on behalf of their respective governments.

The United States understands that the Netherlands plans to present the Agreement to its parliament for its approval in 2014 and, to propose implementing legislation with the goal of having the Agreement enter into force by September 30, 2015. Based on this understanding, as of the date of signature of the Agreement, the United States Department of the Treasury intends to treat each Netherlands Financial Institution, as that term is defined in the Agreement, as complying with, and not subject to withholding under section 1471 of the U.S. Internal Revenue Code during such time as the Netherlands is pursuing the necessary internal procedures for entry into force of the Agreement. The United States further understands that the Netherlands Ministry of Finance intends to contact the United States Department of the Treasury as soon as it is aware that there might be a delay in the Netherlands internal approval process for entry into force of the Agreement such that the Netherlands would not be able to provide its notification under paragraph 1 of Article 10 of the Agreement prior to September 30, 2015. If upon consultation with the Netherlands, the United States Department of the Treasury receives credible assurances that such a delay is likely to be resolved in a reasonable period of time, the United States Department of the Treasury may decide to continue to apply FATCA to Netherlands Financial Institutions in the manner described above as long as the United States Department of the Treasury assesses that the Netherlands is likely to be able to send its notification under paragraph 1 of Article 10 by September 30, 2016. It is understood that should the Agreement enter into force after September 30, 2015, any information that would have been reportable under the Agreement thereafter (and prior to its entry into force) had the Agreement been in force by September 30, 2015, is owed on the September 30 next following the date of entry into force.

The United States notes that both the United States and the Netherlands provide high levels of data protection with information they receive in the exchange of information in tax matters, as confirmed in the Peer Reviews in the context of the Global Forum on Transparency and Exchange of Information for Tax Purposes. Pursuant to paragraph 7 of Article 3 of the

Agreement, the information exchanged under the Agreement is subject to the confidentiality and other protections provided for in the Convention between the United States of America and the Kingdom of the Netherlands for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with Respect to Taxes on Income, done at Washington on 18 December 1992, as amended on 13 October 1993 and 8 March 2004 (“Double Tax Convention”) and the Convention on Mutual Administrative Assistance in Tax Matters, done at Strasbourg on 25 January 1988 (“the Mutual Assistance Convention”). Those protections include those set out in paragraph 1 sentences 3 through 7 of Article 30 of the Double Tax Convention and Article 22 of the Mutual Assistance Convention. In the context of the implementation of the Agreement, the competent authorities are expected by mutual arrangement to establish procedures on data protection specific to the exchange of information under the Agreement.

If the above understandings, including those set forth in the attached Memorandum of Understanding are acceptable to the Government of the Netherlands, this note and your note reflecting such acceptance memorialize the understandings that our two Governments have reached.”

I have the honor to inform you, that the Netherlands shares the understandings referred to in your Note.

Accept, Mr. Chargé d’Affaires, the expression of my highest consideration.

FRANS WEEKERS
State Secretary for Finance

Chargé d’Affaires ad interim

Memorandum of Understanding

Understanding regarding the Agreement between the United States of America and the Kingdom of the Netherlands to Improve International Tax Compliance and to Implement FATCA (hereafter referred to as 'the Agreement'), signed today.

In reference to the term 'resident'

In the case of the Netherlands, the term 'resident' means a resident of the Netherlands within the meaning of Article 4 of the General Tax Act (*Algemene wet inzake rijksbelastingen*). For the purposes of the preceding sentence, a Financial Institution that is fiscally transparent under the laws of the Netherlands is regarded as a 'lichaam' (body corporate).

In reference to Article 1 of the Agreement (Definitions)

1. It is understood that a Fund for Mutual Account (*fonds voor gemene rekening*) is a legal arrangement as referred to in paragraph 1(hh) of Article 1 of the Agreement.
2. It is understood that a *Stichting Administratiekantoor* (STAK) established in the Netherlands is treated as an NFFE. In the case of a STAK the interests in which are regularly traded on an established securities market, the STAK is to be treated as an Active NFFE. In all other cases the STAK is to be treated as a Passive NFFE.
3. It is understood that the following entities are not regarded by a maintaining Financial Institution as an Account Holder or as a Financial Institution if the investment fund or investment firm as mentioned in a. or b. is treated by such maintaining Financial Institution as the Account Holder with respect to the assets held by such entities:
 - a. A depository (*bewaarder*) that holds the legal ownership of an investment portfolio of an investment fund (*beleggingsfonds*) (e.g., a mutual fund for joint account) for and on behalf of the investors within the meaning of Article 4:44 of the Financial Supervision Act (*Wet op het financieel toezicht*), or a depository within the meaning of Article 21 of the Alternative Investment Fund Managers Directive.
 - b. A *bewaarinstelling* or *bewaarbedrijf* established by an investment firm as a depository to comply with asset segregation requirements of Articles 6:17 or 6:18 of the Further Regulation on Conduct of Business Supervision of Financial Undertakings (*Nadere regeling gedragstoezicht financiële ondernemingen*).
4. It is understood that an account held by a foundation (*Stichting Derdengelden*) is not a U.S. Reportable Account or as an account held by a Nonparticipating Financial Institution (as those terms are defined in the Agreement) if the assets of the foundation (*Stichting Derdengelden*) serve solely as an escrow for a debt or purchase obligation of the transferor of the assets to the foundation (*Stichting Derdengelden*).
5. With reference to paragraph (s)(1) of Article 1 of the Agreement, it is understood that NYSE Euronext Amsterdam qualifies as an established securities market.

6. It is understood that paragraph 7 of Article 4 of the Agreement applies to all the definitions in Article 1 of the Agreement, including, for example, the definitions of Preexisting Account and of Financial Account.

In reference to paragraph 1 of Article 5 of the Agreement (direct inquiry by a Competent Authority)

It is understood that no new obligations or responsibilities other than currently in practice under the Double Tax Convention and the Mutual Assistance Convention, are introduced when the Competent Authority of such other Party applies its domestic law (including applicable penalties) to obtain corrected and/or complete information or to resolve other infringements of this Agreement.

In reference to paragraph B of Section III of Annex I of the Agreement

It is understood that a Reporting Netherlands Financial Institution is not required to obtain a second self-certification with respect to a New Individual Account if it already possesses a self-certification with respect to the Account Holder, except where there has been a change of circumstances as described in paragraph D of Section III of Annex I.

In reference to paragraph B of Section I of Annex II of the Agreement

It is understood that International Organizations are solely intergovernmental organizations, including supranational organizations.

In reference to possible future optional direct reporting to the IRS

It is understood that nothing in the Agreement would obligate the Netherlands to permit an entity resident in the Netherlands to report directly to the U.S. Internal Revenue Service if in the future U.S. Treasury regulations were to make that option possible where such reporting would be contrary to Netherlands law.

AGREEMENT
BETWEEN
THE KINGDOM OF THE NETHERLANDS
AND
THE UNITED STATES OF AMERICA
TO IMPROVE INTERNATIONAL TAX COMPLIANCE
AND TO IMPLEMENT FATCA

Whereas,

the Kingdom of the Netherlands

and

the United States of America,

(each, a “Party,” and together, the “Parties”) have a longstanding and close relationship with respect to mutual assistance in tax matters in respect of the United States and the Netherlands and desire to conclude an agreement to improve international tax compliance by further building on that relationship;

Whereas, Article 30 of the Convention between the United States of America and the Kingdom of the Netherlands for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with Respect to Taxes on Income, signed at Washington on 18 December 1992, as amended in 1993 and 2004 (“the Double Tax Convention”) and the Convention on Mutual Administrative Assistance in Tax Matters, done at Strasbourg on 25 January 1988 (the “Mutual Assistance Convention”) authorize exchange of information for tax purposes, including on an automatic basis (hereinafter the “Conventions” refers to the Double Tax Convention and the Mutual Assistance Convention and any amendments to those conventions that are in force for both Parties);

Whereas, the United States of America enacted provisions commonly known as the Foreign Account Tax Compliance Act (“FATCA”), which introduce a reporting regime for financial institutions with respect to certain accounts;

Whereas, the Government of the Netherlands is supportive of the underlying policy goal of FATCA to improve tax compliance;

Whereas, FATCA has raised a number of issues, including that Netherlands financial institutions may not be able to comply with certain aspects of FATCA due to domestic legal impediments;

Whereas, the Government of the United States of America collects information regarding certain accounts maintained by U.S. financial institutions held by residents of the Netherlands and is committed to exchanging such information with the Government of the Netherlands and pursuing equivalent levels of exchange;

Whereas, the Governments of the United States and the Netherlands are committed to working together over the longer term towards achieving common reporting and due diligence standards for financial institutions;

Whereas, the Government of the United States of America acknowledges the need to coordinate the reporting obligations under FATCA with other U.S. tax reporting obligations of Netherlands financial institutions to avoid duplicative reporting;

Whereas, an intergovernmental approach to FATCA implementation would address legal impediments and reduce burdens for Netherlands financial institutions;

Whereas, the Governments of the Parties desire to conclude an agreement to improve international tax compliance and provide for the implementation of FATCA based on domestic reporting and reciprocal automatic exchange pursuant to the Conventions and subject to the confidentiality and other protections provided for therein, including the provisions limiting the use of the information exchanged under the Conventions;

Now, therefore, the Parties have agreed as follows:

Article 1

- s) The term “**Financial Account**” means an account maintained by a Financial Institution, and includes:

Notwithstanding the foregoing, the term “Financial Account” does not include any account, product, or arrangement that is excluded from the definition of Financial Account in Annex II. For purposes of this Agreement, interests are “regularly traded” if there is a meaningful volume of trading with respect to the interests on an ongoing basis, and an “established securities market” means an exchange that is officially recognized and supervised by a governmental authority in which the market is located and that has a meaningful annual value of shares traded on the exchange. For purposes of this subparagraph 1(s), an interest in a Financial Institution is not “regularly traded” and shall be treated as a Financial Account if the holder of the interest (other than a Financial Institution acting as an intermediary) is registered on the books of such Financial Institution. - v) The term “**Equity Interest**” means, in the case of a partnership that is a Financial Institution, either a capital or profits interest in the partnership. In the case of a trust that is a Financial Institution, an Equity Interest is considered to be held by any person treated as a settlor or beneficiary of all or a portion of the trust, or any other natural person exercising ultimate effective control over the trust. A Specified U.S. Person shall be treated as being a beneficiary of a foreign trust if such Specified U.S. Person has the right to receive directly or indirectly (for example, through a nominee) a mandatory distribution or may receive, directly or indirectly, a discretionary distribution from the trust.
- w) The term “**Insurance Contract**” means a contract (other than an Annuity Contract) under which the issuer agrees to pay an amount upon the occurrence of a specified contingency involving mortality, morbidity, accident, liability, or property risk.

Notwithstanding the foregoing, the term “Cash Value” does not include an amount payable under an Insurance Contract as:
 - (1) a personal injury or sickness benefit or other benefit providing indemnification of an economic loss incurred upon the occurrence of the event insured against;

For purposes of the immediately preceding sentence, the term “Financial Institution” does not include a Financial Institution organized or incorporated in a U.S. Territory. In the case of a Cash Value Insurance Contract or an Annuity Contract, the Account Holder is any person entitled to access the Cash Value or change the beneficiary of the contract. If no person can access the Cash Value or change the beneficiary, the Account Holder is any person named as the owner in the contract and any person with a vested entitlement to payment under the terms of the contract. Upon the maturity of a Cash Value Insurance Contract or an Annuity Contract, each person entitled to receive a payment under the contract is treated as an Account Holder.

Notwithstanding the foregoing, a U.S. Source Withholdable Payment does not include any payment that is not treated as a withholdable payment in relevant U.S. Treasury Regulations.
- jj) An Entity is a “**Related Entity**” of another Entity if either Entity controls the other Entity, or the two Entities are under common control. For this purpose control includes direct or indirect ownership of more than 50 percent of the vote or value in an Entity.

Article 4

Application of FATCA to Netherlands Financial Institutions

1. **Treatment of Reporting Netherlands Financial Institutions.** Each Reporting Netherlands Financial Institution shall be treated as complying with, and not subject to withholding under, section 1471 of the U.S. Internal Revenue Code if the Netherlands complies with its obligations under Articles 2 and 3 of this Agreement with respect to such Reporting Netherlands Financial Institution, and the Reporting Netherlands Financial Institution:
 - a) identifies U.S. Reportable Accounts and reports annually to the Netherlands Competent Authority the information required to be reported in subparagraph 2(a) of Article 2 of this Agreement in the time and manner described in Article 3 of this Agreement;
 - b) for each of 2015 and 2016, reports annually to the Netherlands Competent Authority the name of each Nonparticipating Financial Institution to which it has made payments and the aggregate amount of such payments;
 - c) complies with the applicable registration requirements on the IRS FATCA registration website;
 - d) to the extent that a Reporting Netherlands Financial Institution is (i) acting as a qualified intermediary (for purposes of section 1441 of the U.S. Internal Revenue Code) that has elected to assume primary withholding responsibility under chapter 3 of subtitle A of the U.S. Internal Revenue Code, (ii) a foreign partnership that has elected to act as a withholding foreign partnership (for purposes of both sections

1441 and 1471 of the U.S. Internal Revenue Code), or (iii) a foreign trust that has elected to act as a withholding foreign trust (for purposes of both sections 1441 and 1471 of the U.S. Internal Revenue Code), withholds 30 percent of any U.S. Source Withholdable Payment to any Nonparticipating Financial Institution; and

- e) in the case of a Reporting Netherlands Financial Institution that is not described in subparagraph 1(d) of this Article and that makes a payment of, or acts as an intermediary with respect to, a U.S. Source Withholdable Payment to any Nonparticipating Financial Institution, the Reporting Netherlands Financial Institution provides to any immediate payor of such U.S. Source Withholdable Payment the information required for withholding and reporting to occur with respect to such payment.

Notwithstanding the foregoing, a Reporting Netherlands Financial Institution with respect to which the conditions of this paragraph 1 are not satisfied shall not be subject to withholding under section 1471 of the U.S. Internal Revenue Code unless such Reporting Netherlands Financial Institution is treated by the IRS as a Nonparticipating Financial Institution pursuant to subparagraph 2(b) of Article 5 of this Agreement.

2. **Suspension of Rules Relating to Recalcitrant Accounts.** The United States shall not require a Reporting Netherlands Financial Institution to withhold tax under section 1471 or 1472 of the U.S. Internal Revenue Code with respect to an account held by a recalcitrant account holder (as defined in section 1471(d)(6) of the U.S. Internal Revenue Code), or to close such account, if the U.S. Competent Authority receives the information set forth in subparagraph 2(a) of Article 2 of this Agreement, subject to the provisions of Article 3 of this Agreement, with respect to such account.
3. **Specific Treatment of Netherlands Retirement Plans.** The United States shall treat as deemed-compliant FFIs or exempt beneficial owners, as appropriate, for purposes of sections 1471 and 1472 of the U.S. Internal Revenue Code Netherlands retirement plans described in Annex II. For this purpose, a Netherlands retirement plan includes an Entity established or located in, and regulated in the Netherlands, or a predetermined contractual or legal arrangement, operated to provide pension or retirement benefits or earn income for providing such benefits under the laws of the Netherlands and regulated with respect to contributions, distributions, reporting, sponsorship, and taxation.
4. **Identification and Treatment of Other Deemed-Compliant FFIs and Exempt Beneficial Owners.** The United States shall treat each Non-Reporting Netherlands Financial Institution as a deemed-compliant FFI or as an exempt beneficial owner, as appropriate, for purposes of section 1471 of the U.S. Internal Revenue Code.
5. **Special Rules Regarding Related Entities and Branches That Are Nonparticipating Financial Institutions.** If a Netherlands Financial

Institution, that otherwise meets the requirements described in paragraph 1 of this Article or is described in paragraph 3 or 4 of this Article, has a Related Entity or branch that operates in a jurisdiction that prevents such Related Entity or branch from fulfilling the requirements of a participating FFI or deemed-compliant FFI for purposes of section 1471 of the U.S. Internal Revenue Code, or has a Related Entity or branch that is treated as a nonparticipating FFI solely due to the expiration of the transitional rule for limited FFIs and limited branches under relevant U.S. Treasury Regulations, such as Netherlands Financial Institution shall continue to be in compliance with the terms of this Agreement and shall continue to be treated as a deemed-compliant FFI or exempt beneficial owner, as appropriate, for purposes of section 1471 of the U.S. Internal Revenue Code, provided that:

- a) the Netherlands Financial Institution treats each such Related Entity or branch as a separate Nonparticipating Financial Institution for purposes of all the reporting and withholding requirements of this Agreement and each such Related Entity or branch identifies itself to withholding agents as a Nonparticipating Financial Institution;
- b) each such Related Entity or branch identifies its U.S. accounts and reports the information with respect to those accounts as required under section 1471 of the U.S. Internal Revenue Code to the extent permitted under the relevant laws pertaining to the Related Entity or branch; and
- c) such Related Entity or branch does not specifically solicit U.S. accounts held by persons that are not resident in the jurisdiction where such Related Entity or branch is located or accounts held by Nonparticipating Financial Institutions that are not established in the jurisdiction where such Related Entity or branch is located, and such Related Entity or branch is not used by the Netherlands Financial Institution or any other Related Entity to circumvent the obligations under this Agreement or under section 1471 of the U.S. Internal Revenue Code, as appropriate.

6. **Coordination of Timing.** Notwithstanding paragraphs 3 and 5 of Article 3 of this Agreement:

- a) the Netherlands shall not be obligated to obtain and exchange information with respect to a calendar year that is prior to the calendar year with respect to which similar information is required to be reported to the IRS by participating FFIs pursuant to relevant U.S. Treasury Regulations;
- b) the Netherlands shall not be obligated to begin exchanging information prior to the date by which participating FFIs are required to report similar information to the IRS under relevant U.S. Treasury Regulations;
- c) the United States shall not be obligated to obtain and exchange information with respect to a calendar year that is prior to the first calendar year with respect to which the Netherlands is required to obtain and exchange information; and
- d) the United States shall not be obligated to begin exchanging

information prior to the date by which the Netherlands is required to begin exchanging information.

7. **Coordination of Definitions with U.S. Treasury Regulations.** Notwithstanding Article 1 of this Agreement and the definitions provided in the Annexes to this Agreement, in implementing this Agreement the Netherlands may use, and may permit Netherlands Financial Institutions to use, a definition in relevant U.S. Treasury Regulations in lieu of a corresponding definition in this Agreement, provided that such application would not frustrate the purposes of this Agreement.

Article 5

Collaboration on Compliance and Enforcement

1. **Minor and Administrative Errors.** A Competent Authority shall notify the Competent Authority of the other Party when the first-mentioned Competent Authority has reason to believe that administrative errors or other minor errors may have led to incorrect or incomplete information reporting or resulted in other infringements of this Agreement. The Competent Authority of such other Party shall apply its domestic law (including applicable penalties) to obtain corrected and/or complete information or to resolve other infringements of this Agreement.
2. **Significant Non-Compliance.**
 - a) A Competent Authority shall notify the Competent Authority of the other Party when the first-mentioned Competent Authority has determined that there is significant non-compliance with the obligations under this Agreement with respect to a Reporting Financial Institution in the other jurisdiction. The Competent Authority of such other Party shall apply its domestic law (including applicable penalties) to address the significant non-compliance described in the notice.
 - b) If, in the case of a Reporting Netherlands Financial Institution, such enforcement actions do not resolve the non-compliance within a period of 18 months after notification of significant non-compliance is first provided, the United States shall treat the Reporting Netherlands Financial Institution as a Nonparticipating Financial Institution pursuant to this subparagraph 2(b).
3. **Reliance on Third Party Service Providers.** Each Party may allow Reporting Financial Institutions to use third party service providers to fulfill the obligations imposed on such Reporting Financial Institutions by a Party, as contemplated in this Agreement, but these obligations shall remain the responsibility of the Reporting Financial Institutions.
4. **Prevention of Avoidance.** The Parties shall implement as necessary requirements to prevent Financial Institutions from adopting practices intended to circumvent the reporting required under this Agreement.

Article 6

of Information Exchange and Transparency*

1. **Reciprocity.** The Government of the United States acknowledges the need to achieve equivalent levels of reciprocal automatic information exchange with the Netherlands. The Government of the United States is committed to further improve transparency and enhance the exchange relationship with the Netherlands by pursuing the adoption of regulations and advocating and supporting relevant legislation to achieve such equivalent levels of reciprocal automatic information exchange.
2. **Treatment of Passthru Payments and Gross Proceeds.** The Parties are committed to work together, along with Partner Jurisdictions, to develop a practical and effective alternative approach to achieve the policy objectives of foreign passthru payment and gross proceeds withholding that minimizes burden.
3. **Development of Common Reporting and Exchange Model.** The Parties are committed to working with Partner Jurisdictions, the Organisation for Economic Co-operation and Development, and the European Union, on adapting the terms of this Agreement to a common model for automatic exchange of information, including the development of reporting and due diligence standards for financial institutions.
4. **Documentation of Accounts Maintained as of June 30, 2014.** With respect to Reportable Accounts maintained by a Reporting Financial Institution as of June 30, 2014:
 - a) The United States commits to establish, by January 1, 2017, for reporting with respect to 2017 and subsequent years, rules requiring Reporting U.S. Financial Institutions to obtain and report the Netherlands TIN of each Account Holder of a Netherlands Reportable Account as required pursuant to subparagraph 2(b)(1) of Article 2 of this Agreement; and
 - b) The Netherlands commits to establish, by January 1, 2017, for reporting with respect to 2017 and subsequent years, rules requiring Reporting Netherlands Financial Institutions to obtain the U.S. TIN of each Specified U.S. Person as required pursuant to subparagraph 2(a)(1) of Article 2 of this Agreement.

Article 7
Consistency in the Application of FATCA to Partner Jurisdictions

1. The Netherlands shall be granted the benefit of any more favorable terms under Article 4 or Annex I of this Agreement relating to the application of FATCA to Netherlands Financial Institutions afforded to another Partner Jurisdiction under a signed bilateral agreement pursuant to which the other Partner Jurisdiction commits to undertake the same obligations as the

Netherlands described in Articles 2 and 3 of this Agreement, and subject to the same terms and conditions as described therein and in Articles 5 through 9 of this Agreement.

2. The United States shall notify the Netherlands of any such more favorable terms, and such more favorable terms shall apply automatically under this Agreement as if such terms were specified in this Agreement and effective as of the date of signing of the agreement incorporating the more favorable terms, unless the Netherlands declines in writing the application thereof.

Article 8
Consultations and Amendments

1. In case any difficulties in the implementation of this Agreement arise, either Party may request consultations to develop appropriate measures to ensure the fulfillment of this Agreement.
2. This Agreement may be amended by written mutual agreement of the Parties. Unless otherwise agreed upon, such an amendment shall enter into force through the same procedures as set forth in paragraph 1 of Article 10 of this Agreement.

Article 9

The Annexes form an integral part of this Agreement.

ANNEX I

DUE DILIGENCE OBLIGATIONS FOR IDENTIFYING AND REPORTING ON U.S. REPORTABLE ACCOUNTS AND ON PAYMENTS TO CERTAIN NONPARTICIPATING FINANCIAL INSTITUTIONS

- I. **General.**
- A. The Netherlands shall require that Reporting Netherlands Financial Institutions apply the due diligence procedures contained in this Annex I to identify U.S. Reportable Accounts and accounts held by Nonparticipating Financial Institutions.
- B. For purposes of the Agreement,
1. All dollar amounts are in U.S. dollars and shall be read to include the equivalent in other currencies.
 2. Except as otherwise provided herein, the balance or value of an account shall be determined as of the last day of the calendar year or other appropriate reporting period.
 3. Where a balance or value threshold is to be determined as of June 30, 2014, under this Annex I, the relevant balance or value shall be determined as of that day or the last day of the reporting period ending immediately before June 30, 2014, and where a balance or value threshold is to be determined as of the last day of a calendar year under this Annex I, the relevant balance or value shall be determined as of the last day of the calendar year or other appropriate reporting period.
 4. Subject to subparagraph E(1) of section II of this Annex I, an account shall be treated as a U.S. Reportable Account beginning as of the date it is identified as such pursuant to the due diligence procedures in this Annex I.
 5. Unless otherwise provided, information with respect to a U.S. Reportable Account shall be reported annually in the calendar year following the year to which the information relates.
- C. As an alternative to the procedures described in each section of this Annex I, the Netherlands may permit Reporting Netherlands Financial Institutions to rely on the procedures described in relevant U.S. Treasury Regulations to establish whether an account is a U.S. Reportable Account or an account held by a Nonparticipating Financial Institution. The Netherlands may permit Reporting Netherlands Financial Institutions to make such election separately for each section of this Annex I either with respect to all relevant Financial Accounts or, separately, with respect to any clearly identified group of such accounts (such as by line of business or the location of where the account is maintained).

II. **Preexisting Individual Accounts.**

The following rules and procedures apply for purposes of identifying U.S. Reportable Accounts among Preexisting Accounts held by individuals ("Preexisting Individual Accounts").

A. **Accounts Not Required to Be Reviewed, Identified, or Reported.**

Unless the Reporting Netherlands Financial Institution elects otherwise, either with respect to all Preexisting Individual Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in the Netherlands provide for such an election, the following Preexisting Individual Accounts are not required to be reviewed, identified, or reported as U.S. Reportable Accounts:

1. Subject to subparagraph E(2) of this section, a Preexisting Individual Account with a balance or value that does not exceed \$50,000 as of June 30, 2014.
2. Subject to subparagraph E(2) of this section, a Preexisting Individual Account that is a Cash Value Insurance Contract or an Annuity Contract with a balance or value of \$250,000 or less as of June 30, 2014.
3. A Preexisting Individual Account that is a Cash Value Insurance Contract or an Annuity Contract, provided the law or regulations of the Netherlands or the United States effectively prevent the sale of such a Cash Value Insurance Contract or an Annuity Contract to U.S. residents (*e.g.*, if the relevant Financial Institution does not have the required registration under U.S. law, and the law of the Netherlands requires reporting or withholding with respect to insurance products held by residents of the Netherlands).
4. A Depository Account with a balance of \$50,000 or less.

B. **Review Procedures for Preexisting Individual Accounts With a Balance or Value as of June 30, 2014, that Exceeds \$50,000 (\$250,000 for a Cash Value Insurance Contract or Annuity Contract), But Does Not Exceed \$1,000,000 ("Lower Value Accounts").**

1. **Electronic Record Search.** The Reporting Netherlands Financial Institution must review electronically searchable data maintained by the Reporting Netherlands Financial Institution for any of the following U.S. indicia:
 - a) Identification of the Account Holder as a U.S. citizen or resident;
 - b) Unambiguous indication of a U.S. place of birth;
 - c) Current U.S. mailing or residence address (including a U.S. post office box);
 - d) Current U.S. telephone number;
 - e) Standing instructions to transfer funds to an account maintained in the United States;
 - f) Currently effective power of attorney or signatory authority

- granted to a person with a U.S. address; or
- g) An “in-care-of hold mail” address that is the **sole** address the Reporting Netherlands Financial Institution has on file for the Account Holder. In the case of a Preexisting Individual Account that is a Lower Value Account, an “in-care-of hold mail” address outside the United States or “hold mail” address shall not be treated as U.S. indicia.
2. If none of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the electronic search, then no further action is required until there is a change in circumstances that results in one or more U.S. indicia being associated with the account, or the account becomes a High Value Account described in paragraph D of this section.
3. If any of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the electronic search, or if there is a change in circumstances that results in one or more U.S. indicia being associated with the account, then the Reporting Netherlands Financial Institution must treat the account as a U.S. Reportable Account unless it elects to apply subparagraph B(4) of this section and one of the exceptions in such subparagraph applies with respect to that account.
4. Notwithstanding a finding of U.S. indicia under subparagraph B(1) of this section, a Reporting Netherlands Financial Institution is not required to treat an account as a U.S. Reportable Account if:
- a) Where the Account Holder information unambiguously indicates a **U.S. place of birth**, the Reporting Netherlands Financial Institution obtains, or has previously reviewed and maintains a record of:
- (1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form);
- (2) A non-U.S. passport or other government-issued identification evidencing the Account Holder’s citizenship or nationality in a country other than the United States;
and
- (3) A copy of the Account Holder’s Certificate of Loss of Nationality of the United States or a reasonable explanation of:
- (a) The reason the Account Holder does not have such a certificate despite relinquishing U.S. citizenship;
or
- (b) The reason the Account Holder did not obtain U.S. citizenship at birth.
- b) Where the Account Holder information contains a **current U.S.**

mailing or residence address, or one or more U.S. telephone numbers that are the only telephone numbers associated with the account, the Reporting Netherlands Financial Institution obtains or has previously reviewed and maintains a record of:

- (1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form); **and**
- (2) Documentary evidence, as defined in paragraph D of section VI of this Annex I, establishing the Account Holder's non-U.S. status.

c) Where the Account Holder information contains **standing instructions to transfer funds to an account maintained in the United States**, the Reporting Netherlands Financial Institution obtains, or has previously reviewed and maintains a record of:

- (1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form); **and**
- (2) Documentary evidence, as defined in paragraph D of section VI of this Annex I, establishing the Account Holder's non-U.S. status.

d) Where the Account Holder information contains **a currently effective power of attorney or signatory authority granted to a person with a U.S. address, has an "in-care-of" address or "hold mail" address that is the sole address identified for the Account Holder, or has one or more U.S. telephone numbers (if a non-U.S. telephone number is also associated with the account)**, the Reporting Netherlands Financial Institution obtains, or has previously reviewed and maintains a record of:

- (1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form); **or**
- (2) Documentary evidence, as defined in paragraph D of section VI of this Annex I, establishing the Account Holder's non-U.S. status.

C. **Additional Procedures Applicable to Preexisting Individual Accounts That Are Lower Value Accounts.**

1. Review of Preexisting Individual Accounts that are Lower Value Accounts for U.S. indicia must be completed by June 30, 2016.

2. If there is a change of circumstances with respect to a Preexisting Individual Account that is a Lower Value Account that results in one or more U.S. indicia described in subparagraph B(1) of this section being associated with the account, then the Reporting Netherlands Financial Institution must treat the account as a U.S. Reportable Account unless subparagraph B(4) of this section applies.
3. Except for Depository Accounts described in subparagraph A(4) of this section, any Preexisting Individual Account that has been identified as a U.S. Reportable Account under this section shall be treated as a U.S. Reportable Account in all subsequent years, unless the Account Holder ceases to be a Specified U.S. Person.

D. **Enhanced Review Procedures for Preexisting Individual Accounts With a Balance or Value That Exceeds \$1,000,000 as of June 30, 2014, or December 31 of 2015 or Any Subsequent Year (“High Value Accounts”).**

1. **Electronic Record Search.** The Reporting Netherlands Financial Institution must review electronically searchable data maintained by the Reporting Netherlands Financial Institution for any of the U.S. indicia described in subparagraph B(1) of this section.
2. **Paper Record Search.** If the Reporting Netherlands Financial Institution’s electronically searchable databases include fields for, and capture all of the information described in, subparagraph D(3) of this section, then no further paper record search is required. If the electronic databases do not capture all of this information, then with respect to a High Value Account, the Reporting Netherlands Financial Institution must also review the current customer master file and, to the extent not contained in the current customer master file, the following documents associated with the account and obtained by the Reporting Netherlands Financial Institution within the last five years for any of the U.S. indicia described in subparagraph B(1) of this section:
 - a) The most recent documentary evidence collected with respect to the account;
 - b) The most recent account opening contract or documentation;
 - c) The most recent documentation obtained by the Reporting Netherlands Financial Institution pursuant to AML/KYC Procedures or for other regulatory purposes;
 - d) Any power of attorney or signature authority forms currently in effect; and
 - e) Any standing instructions to transfer funds currently in effect.
3. **Exception Where Databases Contain Sufficient Information.** A Reporting Netherlands Financial Institution is not required to perform the paper record search described in subparagraph D(2) of this section if the Reporting Netherlands Financial Institution’s

electronically searchable information includes the following:

- a) The Account Holder's nationality or residence status;
- b) The Account Holder's residence address and mailing address currently on file with the Reporting Netherlands Financial Institution;
- c) The Account Holder's telephone number(s) currently on file, if any, with the Reporting Netherlands Financial Institution;
- d) Whether there are standing instructions to transfer funds in the account to another account (including an account at another branch of the Reporting Netherlands Financial Institution or another Financial Institution);
- e) Whether there is a current "in-care-of _____ Id mail" address for the Account Holder; **and**
- f) Whether there is any power of attorney or signatory authority for the account.

4. **Relationship Manager Inquiry for Actual Knowledge.** In addition to the electronic and paper record searches described above, the Reporting Netherlands Financial Institution must treat as a U.S. Reportable Account any High Value Account assigned to a relationship manager (including any Financial Accounts aggregated with such High Value Account) if the relationship manager has actual knowledge that the Account Holder is a Specified U.S. Person.

5. **Effect of Finding U.S. Indicia.**

- a) If none of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the enhanced review of High Value Accounts described above, and the account is not identified as held by a Specified U.S. Person in subparagraph D(4) of this section, then no further action is required until there is a change in circumstances that results in one or more U.S. indicia being associated with the account.
- b) If any of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the enhanced review of High Value Accounts described above, or if there is a subsequent change in circumstances that results in one or more U.S. indicia being associated with the account, then the Reporting Netherlands Financial Institution must treat the account as a U.S. Reportable Account unless it elects to apply subparagraph B(4) of this section and one of the exceptions in such subparagraph applies with respect to that account.
- c) Except for Depository Accounts described in subparagraph A(4) of this section, any Preexisting Individual Account that has been identified as a U.S. Reportable Account under this section shall be treated as a U.S. Reportable Account in all subsequent years, unless the Account Holder ceases to be a Specified U.S. Person.

E. **Additional Procedures Applicable to High Value Accounts.**

1. If a Preexisting Individual Account is a High Value Account as of June 30, 2014, the Reporting Netherlands Financial Institution must complete the enhanced review procedures described in paragraph D of this section with respect to such account by June 30, 2015. If based on this review such account is identified as a U.S. Reportable Account on or before December 31, 2014, the Reporting Netherlands Financial Institution must report the required information about such account with respect to 2014 in the first report on the account and on an annual basis thereafter. In the case of an account identified as a U.S. Reportable Account after December 31, 2014, and on or before June 30, 2015, the Reporting Netherlands Financial Institution is not required to report information about such account with respect to 2014, but must report information about the account on an annual basis thereafter.
2. If a Preexisting Individual Account is not a High Value Account as of June 30, 2014, but becomes a High Value Account as of the last day of 2015 or any subsequent calendar year, the Reporting Netherlands Financial Institution must complete the enhanced review procedures described in paragraph D of this section with respect to such account within six months after the last day of the calendar year in which the account becomes a High Value Account. If based on this review such account is identified as a U.S. Reportable Account, the Reporting Netherlands Financial Institution must report the required information about such account with respect to the year in which it is identified as a U.S. Reportable Account and subsequent years on an annual basis, unless the Account Holder ceases to be a Specified U.S. Person.
3. Once a Reporting Netherlands Financial Institution applies the enhanced review procedures described in paragraph D of this section to a High Value Account, the Reporting Netherlands Financial Institution is not required to re-apply such procedures, other than the relationship manager inquiry described in subparagraph D(4) of this section, to the same High Value Account in any subsequent year.
4. If there is a change of circumstances with respect to a High Value Account that results in one or more U.S. indicia described in subparagraph B(1) of this section being associated with the account, then the Reporting Netherlands Financial Institution must treat the account as a U.S. Reportable Account unless it elects to apply subparagraph B(4) of this section and one of the exceptions in such subparagraph applies with respect to that account.
5. A Reporting Netherlands Financial Institution must implement procedures to ensure that a relationship manager identifies any change in circumstances of an account. For example, if a relationship manager is notified that the Account Holder has a new mailing address in the United States, the Reporting Netherlands Financial Institution is required to treat the new address as a change in

circumstances and, if it elects to apply subparagraph B(4) of this section, is required to obtain the appropriate documentation from the Account Holder.

- F. **Preexisting Individual Accounts That Have Been Documented for Certain Other Purposes.** A Reporting Netherlands Financial Institution that has previously obtained documentation from an Account Holder to establish the Account Holder's status as neither a U.S. citizen nor a U.S. resident in order to meet its obligations under a qualified intermediary, withholding foreign partnership, or withholding foreign trust agreement with the IRS, or to fulfill its obligations under chapter 61 of Title 26 of the United States Code, is not required to perform the procedures described in subparagraph B(1) of this section with respect to Lower Value Accounts or subparagraphs D(1) through D(3) of this section with respect to High Value Accounts.

III. **New Individual Accounts.**

The following rules and procedures apply for purposes of identifying U.S. Reportable Accounts among Financial Accounts held by individuals and opened on or after July 1, 2014 ("New Individual Accounts").

- A. **Accounts Not Required to Be Reviewed, Identified, or Reported.** Unless the Reporting Netherlands Financial Institution elects otherwise, either with respect to all New Individual Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in the Netherlands provide for such an election, the following New Individual Accounts are not required to be reviewed, identified, or reported as U.S. Reportable Accounts:
1. A Depository Account unless the account balance exceeds \$50,000 at the end of any calendar year or other appropriate reporting period.
 2. A Cash Value Insurance Contract unless the Cash Value exceeds \$50,000 at the end of any calendar year or other appropriate reporting period.
- B. **Other New Individual Accounts.** With respect to New Individual Accounts not described in paragraph A of this section, upon account opening (or within 90 days after the end of the calendar year in which the account ceases to be described in paragraph A of this section), the Reporting Netherlands Financial Institution must obtain a self-certification, which may be part of the account opening documentation, that allows the Reporting Netherlands Financial Institution to determine whether the Account Holder is resident in the United States for tax purposes (for this purpose, a U.S. citizen is considered to be resident in the United States for tax purposes, even if the Account Holder is also a tax resident of another jurisdiction) and confirm the reasonableness of such self-certification based on the information obtained by the Reporting Netherlands Financial Institution in connection with the opening of the account, including any documentation collected pursuant to AML/KYC Procedures.
1. If the self-certification establishes that the Account Holder is resident in the United States for tax purposes, the Reporting Netherlands

Financial Institution must treat the account as a U.S. Reportable Account and obtain a self-certification that includes the Account Holder's U.S. TIN (which may be an IRS Form W-9 or other similar agreed form).

2. If there is a change of circumstances with respect to a New Individual Account that causes the Reporting Netherlands Financial Institution to know, or have reason to know, that the original self-certification is incorrect or unreliable, the Reporting Netherlands Financial Institution cannot rely on the original self-certification and must obtain a valid self-certification that establishes whether the Account Holder is a U.S. citizen or resident for U.S. tax purposes. If the Reporting Netherlands Financial Institution is unable to obtain a valid self-certification, the Reporting Netherlands Financial Institution must treat the account as a U.S. Reportable Account.

IV. **Preexisting Entity Accounts.**

The following rules and procedures apply for purposes of identifying U.S. Reportable Accounts and accounts held by Nonparticipating Financial Institutions among Preexisting Accounts held by Entities ("Preexisting Entity Accounts").

- A. **Entity Accounts Not Required to Be Reviewed, Identified or Reported.** Unless the Reporting Netherlands Financial Institution elects otherwise, either with respect to all Preexisting Entity Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in Netherlands provide for such an election, a Preexisting Entity Account with an account balance or value that does not exceed \$250,000 as of June 30, 2014, is not required to be reviewed, identified, or reported as a U.S. Reportable Account until the account balance or value exceeds \$1,000,000.
- B. **Entity Accounts Subject to Review.** A Preexisting Entity Account that has an account balance or value that exceeds \$250,000 as of June 30, 2014, and a Preexisting Entity Account that does not exceed \$250,000 as of June 30, 2014, but the account balance or value of which exceeds \$1,000,000 as of the last day of 2015 or any subsequent year, must be reviewed in accordance with the procedures set forth in paragraph D of this section.
- C. **Entity Accounts With Respect to Which Reporting Is Required.** With respect to Preexisting Entity Accounts described in paragraph B of this section, only accounts that are held by one or more Entities that are Specified U.S. Persons, or by Passive NFFEs with one or more Controlling Persons who are U.S. citizens or residents, shall be treated as U.S. Reportable Accounts. In addition, accounts held by Nonparticipating Financial Institutions shall be treated as accounts for which aggregate payments as described in subparagraph 1(b) of Article 4 of the Agreement are reported to the Netherlands Competent Authority.
- D. **Review Procedures for Identifying Entity Accounts With Respect to Which Reporting Is Required.** For Preexisting Entity Accounts described in paragraph B of this section, the Reporting Netherlands Financial

Institution must apply the following review procedures to determine whether the account is held by one or more Specified U.S. Persons, by Passive NFFEs with one or more Controlling Persons who are U.S. citizens or residents, or by Nonparticipating Financial Institutions:

1. **Determine Whether the Entity Is a Specified U.S. Person.**
 - a) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine whether the information indicates that the Account Holder is a U.S. Person. For this purpose, information indicating that the Account Holder is a U.S. Person includes a U.S. place of incorporation or organization, or a U.S. address.
 - b) If the information indicates that the Account Holder is a U.S. Person, the Reporting Netherlands Financial Institution must treat the account as a U.S. Reportable Account unless it obtains a self-certification from the Account Holder (which may be on an IRS Form W-8 or W-9, or a similar agreed form), or reasonably determines based on information in its possession or that is publicly available, that the Account Holder is not a Specified U.S. Person.

2. **Determine Whether a Non-U.S. Entity Is a Financial Institution.**
 - a) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine whether the information indicates that the Account Holder is a Financial Institution.
 - b) If the information indicates that the Account Holder is a Financial Institution, or the Reporting Netherlands Financial Institution verifies the Account Holder's Global Intermediary Identification Number on the published IRS FFI list, then the account is not a U.S. Reportable Account.

3. **Determine Whether a Financial Institution Is a Nonparticipating Financial Institution Payments to Which Are Subject to Aggregate Reporting Under Subparagraph 1(b) of Article 4 of the Agreement.**
 - a) Subject to subparagraph D(3)(b) of this section, a Reporting Netherlands Financial Institution may determine that the Account Holder is a Netherlands Financial Institution or other Partner Jurisdiction Financial Institution if the Reporting Netherlands Financial Institution reasonably determines that the Account Holder has such status on the basis of the Account Holder's Global Intermediary Identification Number on the published IRS FFI list or other information that is publicly available or in the possession of the Reporting Netherlands Financial Institution, as applicable. In such a case, no further

review, identification, or reporting is required with respect to the account.

- b) If the Account Holder is a Netherlands Financial Institution or other Partner Jurisdiction Financial Institution treated by the IRS as a Nonparticipating Financial Institution, then the account is not a U.S. Reportable Account, but payments to the Account Holder must be reported as contemplated in subparagraph 1(b) of Article 4 of the Agreement.
- c) If the Account Holder is not a Netherlands Financial Institution or other Partner Jurisdiction Financial Institution, then the Reporting Netherlands Financial Institution must treat the Account Holder as a Nonparticipating Financial Institution payments to which are reportable under subparagraph 1(b) of Article 4 of the Agreement, unless the Reporting Netherlands Financial Institution:
 - (1) Obtains a self-certification (which may be on an IRS Form W-8 or similar agreed form) from the Account Holder that it is a certified deemed-compliant FFI, or an exempt beneficial owner, as those terms are defined in relevant U.S. Treasury Regulations; **or**
 - (2) In the case of a participating FFI or registered deemed-compliant FFI, verifies the Account Holder's Global Intermediary Identification Number on the published IRS FFI list.

4. **Determine Whether an Account Held by an NFFE Is a U.S. Reportable Account.** With respect to an Account Holder of a Preexisting Entity Account that is not identified as either a U.S. Person or a Financial Institution, the Reporting Netherlands Financial Institution must identify (i) whether the Account Holder has Controlling Persons, (ii) whether the Account Holder is a Passive NFFE, and (iii) whether any of the Controlling Persons of the Account Holder is a U.S. citizen or resident. In making these determinations the Reporting Netherlands Financial Institution must follow the guidance in subparagraphs D(4)(a) through D(4)(d) of this section in the order most appropriate under the circumstances.

- a) For purposes of determining the Controlling Persons of an Account Holder, a Reporting Netherlands Financial Institution may rely on information collected and maintained pursuant to AML/KYC Procedures.
- b) For purposes of determining whether the Account Holder is a Passive NFFE, the Reporting Netherlands Financial Institution must obtain a self-certification (which may be on an IRS Form W-8 or W-9, or on a similar agreed form) from the Account Holder to establish its status, unless it has information in its possession or that is publicly available, based on which it can reasonably determine that the Account Holder is an Active NFFE.
- c) For purposes of determining whether a Controlling Person of a

Passive NFFE is a U.S. citizen or resident for tax purposes, a Reporting Netherlands Financial Institution may rely on:

- (1) Information collected and maintained pursuant to AML/KYC Procedures in the case of a Preexisting Entity Account held by one or more NFFEs with an account balance or value that does not exceed \$1,000,000; **or**
- (2) A self-certification (which may be on an IRS Form W-8 or W-9, or on a similar agreed form) from the Account Holder or such Controlling Person in the case of a Preexisting Entity Account held by one or more NFFEs with an account balance or value that exceeds \$1,000,000.

- d) If any Controlling Person of a Passive NFFE is a U.S. citizen or resident, the account shall be treated as a U.S. Reportable Account.

E. Timing of Review and Additional Procedures Applicable to Preexisting Entity Accounts.

1. Review of Preexisting Entity Accounts with an account balance or value that exceeds \$250,000 as of June 30, 2014, must be completed by June 30, 2016.
2. Review of Preexisting Entity Accounts with an account balance or value that does not exceed \$250,000 as of June 30, 2014, but exceeds \$1,000,000 as of December 31 of 2015 or any subsequent year, must be completed within six months after the last day of the calendar year in which the account balance or value exceeds \$1,000,000.
3. If there is a change of circumstances with respect to a Preexisting Entity Account that causes the Reporting Netherlands Financial Institution to know, or have reason to know, that the self-certification or other documentation associated with an account is incorrect or unreliable, the Reporting Netherlands Financial Institution must redetermine the status of the account in accordance with the procedures set forth in paragraph D of this section.

V. New Entity Accounts.

The following rules and procedures apply for purposes of identifying U.S. Reportable Accounts and accounts held by Nonparticipating Financial Institutions among Financial Accounts held by Entities and opened on or after July 1, 2014 ("New Entity Accounts").

A. Entity Accounts Not Required to Be Reviewed, Identified or Reported.

Unless the Reporting Netherlands Financial Institution elects otherwise, either with respect to all New Entity Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in the Netherlands provide for such election, a credit card account or a revolving credit facility treated as a New Entity Account is not required to be

reviewed, identified, or reported, provided that the Reporting Netherlands Financial Institution maintaining such account implements policies and procedures to prevent an account balance owed to the Account Holder that exceeds \$50,000.

B. **Other New Entity Accounts.** With respect to New Entity Accounts not described in paragraph A of this section, the Reporting Netherlands Financial Institution must determine whether the Account Holder is: (i) a Specified U.S. Person; (ii) a Netherlands Financial Institution or other Partner Jurisdiction Financial Institution; (iii) a participating FFI, a deemed-compliant FFI, or an exempt beneficial owner, as those terms are defined in relevant U.S. Treasury Regulations; or (iv) an Active NFFE or Passive NFFE.

1. Subject to subparagraph B(2) of this section, a Reporting Netherlands Financial Institution may determine that the Account Holder is an Active NFFE, a Netherlands Financial Institution, or other Partner Jurisdiction Financial Institution if the Reporting Netherlands Financial Institution reasonably determines that the Account Holder has such status on the basis of the Account Holder's Global Intermediary Identification Number or other information that is publicly available or in the possession of the Reporting Netherlands Financial Institution, as applicable.
2. If the Account Holder is a Netherlands Financial Institution or other Partner Jurisdiction Financial Institution treated by the IRS as a Nonparticipating Financial Institution, then the account is not a U.S. Reportable Account, but payments to the Account Holder must be reported as contemplated in subparagraph 1(b) of Article 4 of the Agreement.
3. In all other cases, a Reporting Netherlands Financial Institution must obtain a self-certification from the Account Holder to establish the Account Holder's status. Based on the self-certification, the following rules apply:
 - a) If the Account Holder is **a Specified U.S. Person**, the Reporting Netherlands Financial Institution must treat the account as a U.S. Reportable Account.
 - b) If the Account Holder is **a Passive NFFE**, the Reporting Netherlands Financial Institution must identify the Controlling Persons as determined under AML/KYC Procedures, and must determine whether any such person is a U.S. citizen or resident on the basis of a self-certification from the Account Holder or such person. If any such person is a U.S. citizen or resident, the Reporting Netherlands Financial Institution must treat the account as a U.S. Reportable Account.
 - c) If the Account Holder is: (i) a U.S. Person that is not a Specified U.S. Person; (ii) subject to subparagraph B(3)(d) of this section, a Netherlands Financial Institution or other Partner Jurisdiction Financial Institution; (iii) a participating FFI, a deemed-compliant

FFI, or an exempt beneficial owner, as those terms are defined in relevant U.S. Treasury Regulations; (iv) an Active NFFE; or (v) a Passive NFFE none of the Controlling Persons of which is a U.S. citizen or resident, then the account is not a U.S. Reportable Account, and no reporting is required with respect to the account.

- d) If the Account Holder is a Nonparticipating Financial Institution (including a Netherlands Financial Institution or other Partner Jurisdiction Financial Institution treated by the IRS as a Nonparticipating Financial Institution), then the account is not a U.S. Reportable Account, but payments to the Account Holder must be reported as contemplated in subparagraph 1(b) of Article 4 of the Agreement.

VI. **Special Rules and Definitions.**

The following additional rules and definitions apply in implementing the due diligence procedures described above:

- A. **Reliance on Self-Certifications and Documentary Evidence.** A Reporting Netherlands Financial Institution may not rely on a self-certification or documentary evidence if the Reporting Netherlands Financial Institution knows or has reason to know that the self-certification or documentary evidence is incorrect or unreliable.

- B. **Definitions.** The following definitions apply for purposes of this Annex I.

- e) Substantially all of the activities of the NFFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an entity shall not qualify for a NFFE status if the entity functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund, or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;
- f) The NFFE is not yet operating a business and has no prior operating history, but is investing capital into assets with the intent to operate a business other than that of a Financial Institution, provided that the NFFE shall not qualify for this exception after the date that is 24 months after the date of the initial organization of the NFFE;

- v. The applicable laws of the NFFE's jurisdiction of residence or the NFFE's formation documents require that, upon the NFFE's liquidation or dissolution, all of its assets be distributed to a governmental entity or other non-profit organization, or escheat to the government of the NFFE's jurisdiction of residence or any political subdivision thereof.

5. **Preexisting Account.** A "Preexisting Account" means a Financial Account maintained by a Reporting Financial Institution as of June 30, 2014.

C. **Account Balance Aggregation and Currency Translation Rules.**

1. **Aggregation of Individual Accounts.** For purposes of determining the aggregate balance or value of Financial Accounts held by an individual, a Reporting Netherlands Financial Institution is required to aggregate all Financial Accounts maintained by the Reporting Netherlands Financial Institution, or by a Related Entity, but only to the extent that the Reporting Netherlands Financial Institution's computerized systems link the Financial Accounts by reference to a data element such as client number or taxpayer identification number, and allow account balances or values to be aggregated. Each holder of a jointly held Financial Account shall be attributed the entire balance or value of the jointly held Financial Account for purposes of applying the aggregation requirements described in this paragraph 1.
2. **Aggregation of Entity Accounts.** For purposes of determining the aggregate balance or value of Financial Accounts held by an Entity, a Reporting Netherlands Financial Institution is required to take into account all Financial Accounts that are maintained by the Reporting Netherlands Financial Institution, or by a Related Entity, but only to the extent that the Reporting Netherlands Financial Institution's computerized systems link the Financial Accounts by reference to a data element such as client number or taxpayer identification number, and allow account balances or values to be aggregated.

3. **Special Aggregation Rule Applicable to Relationship Managers.** For purposes of determining the aggregate balance or value of Financial Accounts held by a person to determine whether a Financial Account is a High Value Account, a Reporting Netherlands Financial Institution is also required, in the case of any Financial Accounts that a relationship manager knows, or has reason to know, are directly or indirectly owned, controlled, or established (other than in a fiduciary capacity) by the same person, to aggregate all such accounts.
 4. **Currency Translation Rule.** For purposes of determining the balance or value of Financial Accounts denominated in a currency other than the U.S. dollar, a Reporting Netherlands Financial Institution must convert the U.S. dollar threshold amounts described in this Annex I into such currency using a published spot rate determined as of the last day of the calendar year preceding the year in which the Reporting Netherlands Financial Institution is determining the balance or value.
- D. **Documentary Evidence.** For purposes of this Annex I, acceptable documentary evidence includes any of the following:
1. A certificate of residence issued by an authorized government body (for example, a government or agency thereof, or a municipality) of the jurisdiction in which the payee claims to be a resident.

 5. Any financial statement, third-party credit report, bankruptcy filing, or U.S. Securities and Exchange Commission report.
- E. **Alternative Procedures for Financial Accounts Held by Individual Beneficiaries of a Cash Value Insurance Contract.** A Reporting Netherlands Financial Institution may presume that an individual beneficiary (other than the owner) of a Cash Value Insurance Contract receiving a

death benefit is not a Specified U.S. Person and may treat such Financial Account as a non-U.S. Reportable Account unless the Reporting Netherlands Financial Institution has actual knowledge, or reason to know, that the beneficiary is a Specified U.S. Person. A Reporting Netherlands Financial Institution has reason to know that a beneficiary of a Cash Value Insurance Contract is a Specified U.S. Person if the information collected by the Reporting Netherlands Financial Institution and associated with the beneficiary contains U.S. indicia as described in subparagraph (B)(1) of section II of this Annex I. If a Reporting Netherlands Financial Institution has actual knowledge, or reason to know, that the beneficiary is a Specified U.S. Person, the Reporting Netherlands Financial Institution must follow the procedures in subparagraph B(3) of section II of this Annex I.
